

# Sprint 4

## Wokwi Output (Connection of ESP32 with DHT11 and Random Generation Of Gas leakage level)

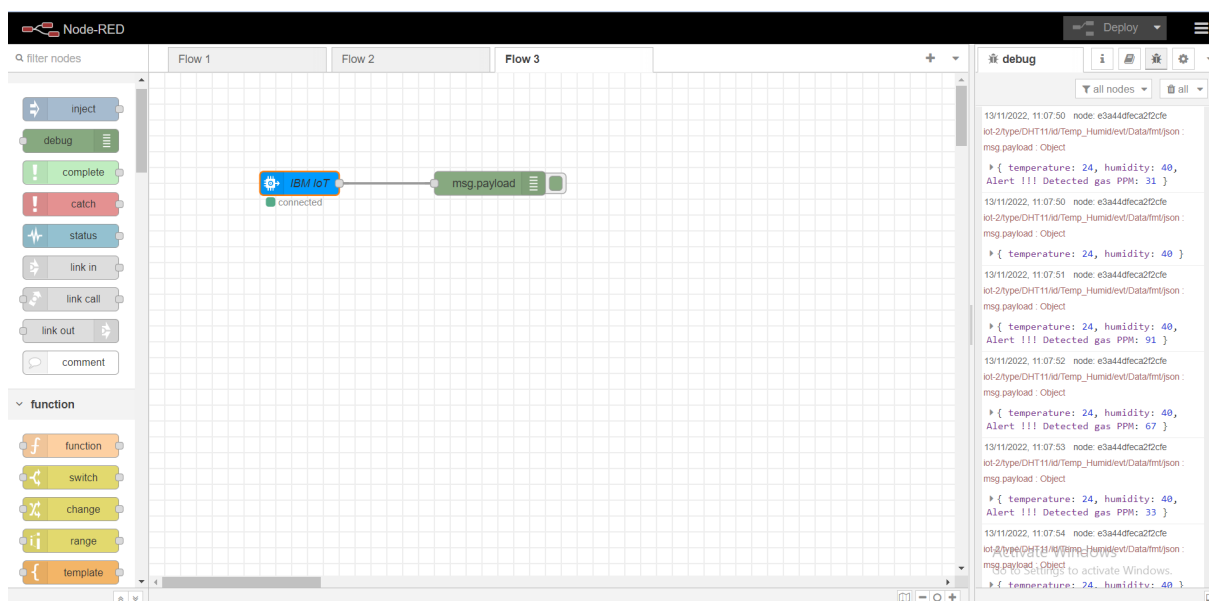

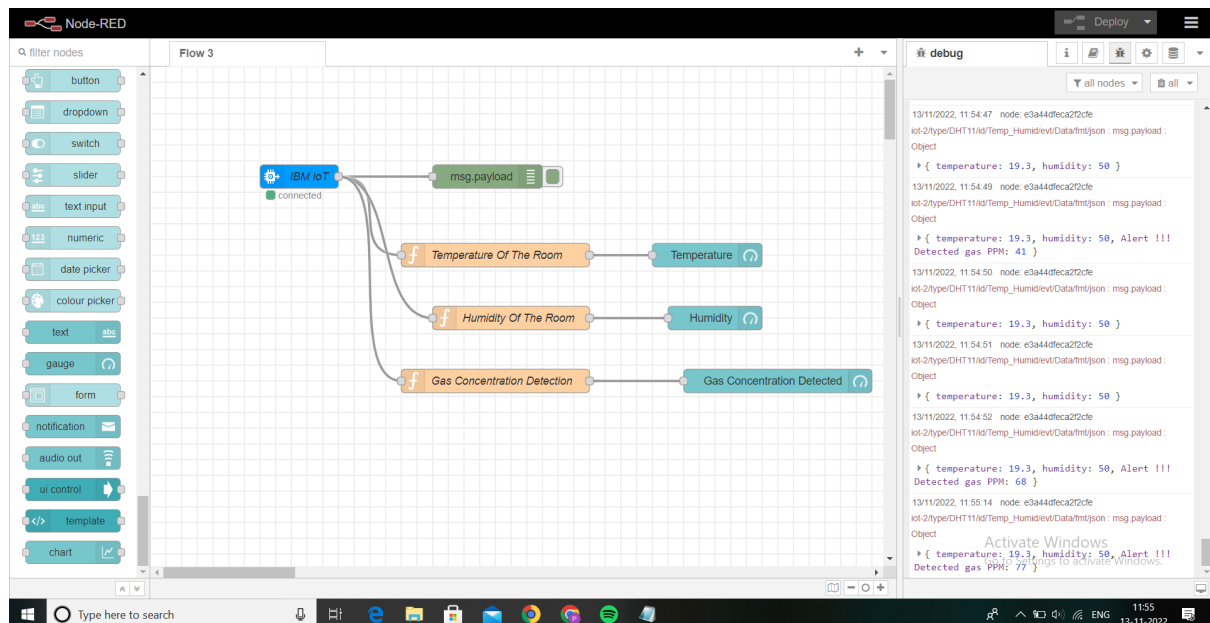

## IBM Watson IOT Platform Output (Connection of Wokwi to IBM Cloud)

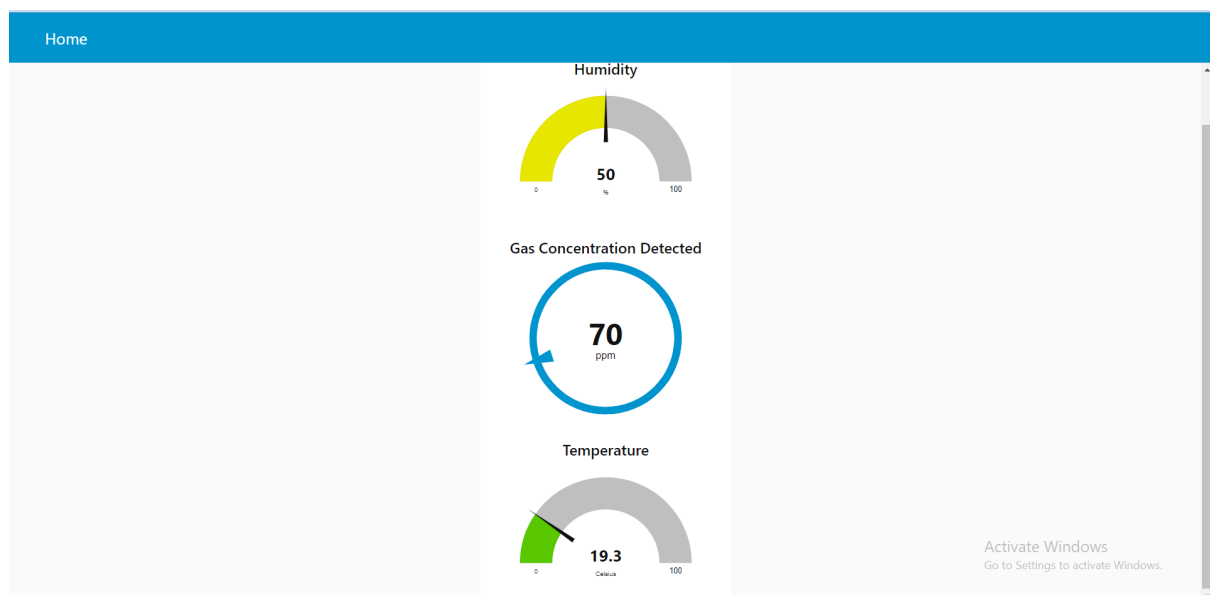

## Node Red Output (Connection Of Node Red from IBM Cloud)

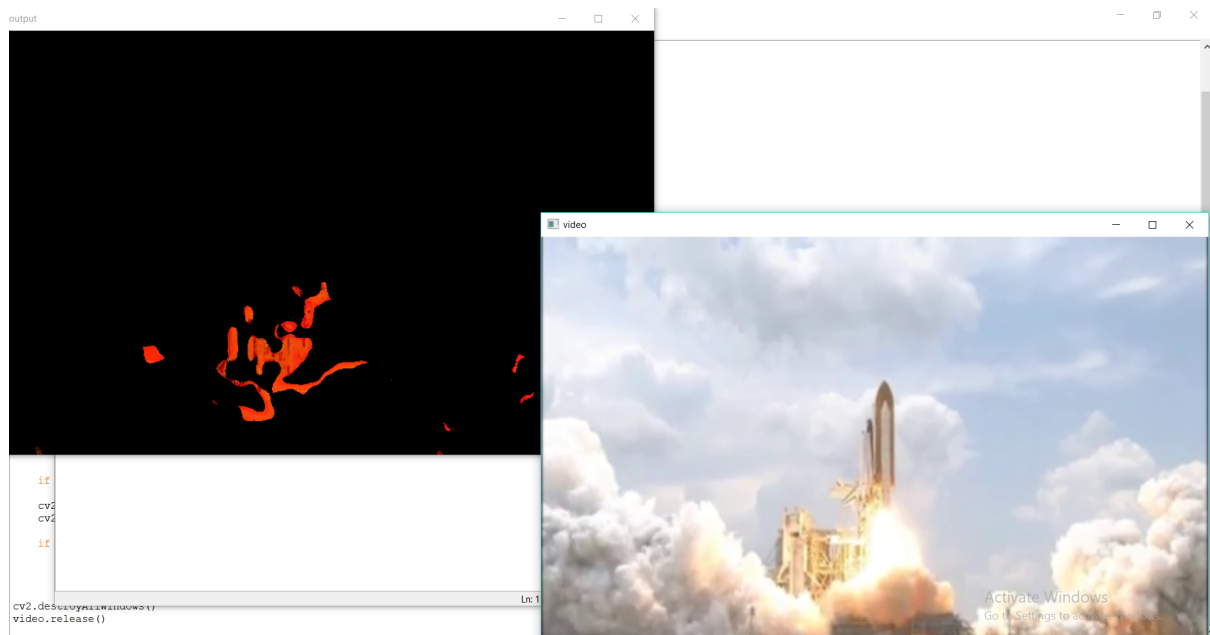

## Webpage Output (By Using Node Red Dashboard)

## OpenCV Outputs

On right down , original input video and on the left top , OpenCV output video

### Output 1:

### Output 2:
